BLUE Inspires me and my dream kitchen would have Yves Klein blue cabinets with custom-made blue appliances and a hint of copper. Blue for me is infinite calming, inspiring, and with no boundaries. In fact, I have created a way of displaying my petit four in a tray with blue Yves Klein pigment. It's a delight for your eyes.

My Yves Klein refrigerator.

Remenice about "Breakfast at Tiffany" every morning with a counter top in 'Amazonite' marble from the marble centre.

Capture the night skies vibrant blue with Topstone's 'night' tile from the lusso Galactica Collection.
